

## NEVADA MINER WAS ROBBED IN SAN FRANCISCO

While A. Brogan, a mining man from Nevada, was standing in the doorway of a hotel at Fifth and Folsom streets Saturday afternoon he was attacked by a desperado, who beat Brogan with his fists, choked him into silence and then robbed him of \$150. The miner, who is 39 years of age, struggled and managed to raise an outcry that brought A. Williams, a harness maker, living near by, to the scene just as the robber was preparing to flee. Williams grappled with the bandit, but was shaken off and stunned, allowing the man to make good his escape.

Brogan, when he recovered, hurried to the Southern police station, where Detectives Harry Sequine and M. J. Cullinan, who have been riding the district of desperadoes, were detailed on the case.

The detectives traced the robber from a description and finally located him in a Third street lodging house, where he was arrested and booked in detention.

The prisoner gave his name as John Welsh and was identified latter by Brogan, who declared positively that he is the man who attacked him in the hotel lobby. Welsh will be charged with the robbery. He denies the accusation.—Chronicle.

## DEFENSE LOSES FIVE CONTESTS DURING ONE DAY

M'NAMARA AND STATE'S ATTORNEYS EXERCISE FIRST PEREMPTORY CHALLENGES.

LOS ANGELES, Nov. 9.—The jury box in the McNamara murder trial was filled yesterday by jurymen accepted as to cause. Peremptory challenges were exercised by both sides and at night but five of the 12 remained.

The defense reserved the right to challenge more of them if they so desired. The day was marked by a loss by the defense of every point contended for.

The challenges were exercised alternately, the state leading off with Frank Franks, an Elizabeth Lakes rancher, because he admitted acquaintance with Lecompte Davis, attorney for the defense. After excusing one other because he was formerly an officer of a tailors' union, the state announced it would exercise no further challenges at present.

The first point the defense lost was when a challenge by the state of Talesman G. W. Morton, because he contradicted himself during his examination, was allowed. Attorney Darrow, in an impassioned plea, declared the challenge was prompted by the fact that Morton read the Appeal to Reason, a socialist publication. The defense's challenge of Dr. Case on the same ground was denied.

An effort to fill the jury box after each challenge was also lost by the defense when the state cited precedents from this state to show that the usual custom is to exhaust the peremptories first. It was stated last night that the defense would excuse one of the men remaining and possibly two, but no more.

WRIT OF SUPERSEDEAS GRANTED HENWOOD

DENVER, Colo., Nov. 9.—The state supreme court yesterday granted a writ of superseadeas to Frank H. Henwood, convicted of killing George E. Copeland and Balloonist Von Phil. Sensational allegations were made in Henwood's application, charging that pressure was brought to bear in his trial in order to further the interests of John W. Springer, a wealthy Denver banker, in his suit for divorce. The writ operates as a stay of execution pending the hearing of application for a new trial.

REFORM ELEMENT WINS AT PHILADELPHIA POLIS

PHILADELPHIA, Nov. 9.—Rudolph Blankenburg, the independent republican, known as the "War-Horse of Reform," defeated George H. Earle, republican organization candidate for mayor by a plurality of 4364. Other regular republican city officers were mostly elected. The reform element will have two police magistrates and at least forty members of the council.

## FLAG USED TO RAISE MONEY FOR M'NAMARA DEFENSE

ANOTHER WEEKLY PICTURE IS ON FOR TONIGHT AT THE BUTLER.

At the Butler tonight another Pathe Weekly of Current Events will be shown. This is number 38 and shows many interesting scenes, among them is the great Labor Day parade held in New York city, showing the big American flag used in raising money for the McNamara defense fund; Bob Barham, the motor speed king, breaking the world's two-mile record. Scenes at the Beattie trial in Virginia can also be seen. Kramer winning the national bicycle championship, and the fall styles of ladies' suits and gowns, and many other interesting subjects. Other pictures to be shown tonight are as follows: "From Field to Cradle," drama; "Revenge Is Sweet," comedy; "Forrester's Plea," Essay Western, and a Vitaphone feature, entitled "Answer of the Roses."

ASQUITH WOULD CHANGE ENGLISH VOTING SYSTEM

LONDON, Nov. 9.—Premier Asquith said yesterday he intended to introduce a bill at parliament's next session giving each male in England only one vote instead of the system now used, giving a vote for each residence maintained. He said the bill would contain no reference to women.

## THREE DAYS SCHEDULE IS PROPHESIED

AVIATOR RODGERS STARTLES BANQUETERS BY NEW PHASE OF AVIATION.

PASADENA, Cal., Nov. 9.—The aeroplane of the future will fly from New York to San Francisco in three to five days, according to Aviator C. P. Rodgers, whose flight from New York to Pasadena is the latest sensation of the aviation world.

Rodgers' belief was expressed at a banquet here last night tendered by members of the party which followed him across the continent aboard the Rodgers special train.

"My trip, which was seemingly impossible a year or two ago," he said, "is only one of many which will soon come. I am not idly dreaming when I say that within a few years aeroplanes will be so perfected that they will be the fastest means of communication between the Pacific and Atlantic except by telegraph and telephone wires.

"Engines are the only obstacle in the way, and according to the present rate of improvement, these will be perfected soon so that by equipping a machine with two and alternating their use, the trip can be made with only a few stops at the most important cities. The present machines have the speed, but not the stamina. A machine to make such a flight, I believe, is already in sight."

REPUBLICANS SWEEP NEBRASKA NEARLY CLEAN

OMAHA, Neb., Nov. 9.—Late returns indicate the republicans captured every state office. Most of the counties returned the republican majorities. In the Third congressional district, Dan V. Stephens, democrat, was elected to succeed the late Congressman Latta, also a democrat, but his majority was reduced.
